

# Lover, Come Back to Me

Oscar Hammerstein II

Sigmund Romberg

**G<sup>b</sup>6**                      **F $\emptyset$ 7**                      **B<sup>b</sup>7<sup>b</sup>9**                      **E<sup>b</sup>-7**                      **A<sup>b</sup>7**                      **B<sup>b</sup>0<sup>7</sup>**  

  
 The sky was blue,                      And high a-bove                      The moon was new                      And so was love.

**G<sup>b</sup>6/B<sup>b</sup>**                      **E<sup>b</sup>-7**                      **A<sup>b</sup>7**                      **D<sup>b</sup>7**                      **G<sup>b</sup>6**                      **G<sup>b</sup>6/B<sup>b</sup>**                      **C<sup>b</sup>6**                      **C<sup>0</sup>7**                      **G<sup>b</sup>6/D<sup>b</sup>**                      **E<sup>b</sup>-7**                      **A<sup>b</sup>-7**                      **D<sup>b</sup>7**  

  
 This eag-er heart of mine was sing - ing:                      "Lov-er, where                      can you                      be?" \_\_\_\_\_

**G<sup>b</sup>6**                      **F $\emptyset$ 7**                      **B<sup>b</sup>7<sup>b</sup>9**                      **E<sup>b</sup>-7**                      **A<sup>b</sup>7**                      **B<sup>b</sup>0<sup>7</sup>**  

  
 You came at last,                      Love had its day;                      That day is past,                      You've gone a-way.

**G<sup>b</sup>6/B<sup>b</sup>**                      **E<sup>b</sup>-7**                      **A<sup>b</sup>7**                      **D<sup>b</sup>7**                      **G<sup>b</sup>6**                      **G<sup>b</sup>6/B<sup>b</sup>**                      **C<sup>b</sup>6**                      **C<sup>0</sup>7**                      **G<sup>b</sup>6/D<sup>b</sup>**                      **F $\emptyset$ 7**                      **B<sup>b</sup>7<sup>b</sup>9**  

  
 This ach-ing heart of mine is sing - ing:                      "Lov-er, come                      back to                      me!"                      When

**E<sup>b</sup>-7**                      **F $\emptyset$ 7**                      **B<sup>b</sup>7<sup>b</sup>9**                      **E<sup>b</sup>-7**                      **F $\emptyset$ 7**                      **B<sup>b</sup>7<sup>b</sup>9**                      **C<sup>b</sup>7**                      **B<sup>b</sup>7<sup>b</sup>9**  

  
 I re-mem-ber ev-'ry lit-tle thing you used to do,                      I'm                      so                      lone - ly,

**E<sup>b</sup>-7**                      **F $\emptyset$ 7**                      **B<sup>b</sup>7<sup>b</sup>9**                      **E<sup>b</sup>-7**                      **A<sup>b</sup>7**                      **A<sup>b</sup>-7**                      **D<sup>b</sup>7**  

  
 Ev-'ry road I walk a-long I've walked a-long with you,                      No                      won-der I am lone - ly.

**G<sup>b</sup>6**                      **F $\emptyset$ 7**                      **B<sup>b</sup>7<sup>b</sup>9**                      **E<sup>b</sup>-7**                      **A<sup>b</sup>7**                      **B<sup>b</sup>0<sup>7</sup>**  

  
 The ski is blue,                      The night is cold,                      The moon is new,                      But love is old;

**G<sup>b</sup>6/B<sup>b</sup>**                      **E<sup>b</sup>-7**                      **A<sup>b</sup>7**                      **D<sup>b</sup>7**                      **G<sup>b</sup>6**                      **G<sup>b</sup>6/B<sup>b</sup>**                      **C<sup>b</sup>6**                      **C<sup>0</sup>7**  

  
 And while I'm wait-ing here, This heart of mine is sing - ing:                      "Lov-er, come                      back to

2

Chord progression:  $G^b6$  (  $E^b-7$   $A^b-7$   $D^b7$  )
